

An aerial photograph of a winding asphalt road that curves through a dense, green forest on a steep hillside. The road is light-colored and contrasts with the dark green trees. The background shows more of the forested hills under a slightly hazy sky. A semi-transparent grey box is overlaid on the left side of the image, containing the title and subtitle.

A scenic view of a harbor at sunset. The sky is a mix of light blue and orange, indicating the sun is low on the horizon. The water is dark blue with gentle ripples. In the foreground, a white sailboat with a blue cover is prominent on the left. In the center, a small motorboat with a brown cover is visible. To the right, another sailboat is seen. The background features a hilly coastline with some buildings and more distant hills under the twilight sky.

# CONTRIBUTION

05

# 1

As a **Consultant** you will be part of a 4-6 team offering advice to improve the business performance in terms of operations, profitability, management, structure and strategy of a SME, NGO or Non-profit. The programme is self-paced although there would be deadlines and meetings established by your manager.

The key tasks may include:

1. Gathering and analyzing information, formulating and testing hypotheses.
2. Develop new and innovative analytical solutions that meet customer requirements.
3. Support marketing activities and contribute in research development.
4. Create analytical solutions to understand business strategy.
5. Develop and manage project plans, test designs, sampling and other documents.
6. Provide information regarding competition in local market.

# 2

As a **Project Manager** you'll lead a team of typically 4 - 6 consultants, playing an active role in all aspects of client engagement. This includes:

1. Interact with clients and project team to plan and develop project work.
2. Review and edit all client communication documents.
3. Respond to client's questions and concerns in a timely manner.
4. Communicate with clients to clearly understand project requirements and scope.
5. Maintain high level of professionalism and competence in client communications.
6. Ensure that project deliverables meet client requirements and quality standards.
7. Schedule client meetings to discuss about project updates and issues.
8. Build positive working relationship with clients and ensure client satisfaction.
9. Work with HR team to screen and recruit candidates for project.

# MAJOR REQUIREMENTS

## COMMITMENT

Our projects are designed for a maximum of 7-8 hours per week of work + weekly meetings with Managing Director.

## NDA

Sensitive information is shared on a two-way street, so both parties have a duty to keep each other's secrets schtum.

A very important skill. Regardless of the role, we demand leadership skills during the highs and lows of the project.

## LEADERSHIP

Regular meetings with the client. + 1 or more meetings per week with the team.
